

Matthew Tucker  
NATCA Weather Representative  
Atlanta ARTCC

# PIREP collection and dissemination Within the NAS

NATIONAL AIR TRAFFIC CONTROLLERS ASSOCIATION  
*WE GUIDE YOU HOME*

# ARTCC's and Sneakernet

- Controller Solicits PIREPS
- Controller writes down PIREP Some use ERIDS
- Controller hands PIREP to FLM/CIC

- FLM/CIC walks PIREP either to CWSU or TMU
- TMU/CWSU enters PIREP.

No Center does it the same!!!!!!

# TERMINALs and PIREPS

- Controllers solicit PIREPS
- If a FLM/CIC is available PIREP is Entered in AISR
- If FLM/CIC is not available then controller calls over lying Flight data unit.
- The over lying FD enters the PIREP into AISR

# CURRENT Initiatives

- Minneapolis Center has a video briefing that mentions when they should be soliciting PIREPS
- Fort Worth Center has been Emphasizing PIREPS and their Numbers have gone way up and are pushing to double or better the numbers.
